Scavenging in LA County is Against the Law!

(Ord. #20.72.196)

What is Scavenging?

The unauthorized removal of solid waste materials placed at a designated location for the purposes of collection and recycling by an authorized agent.

What to do if you see someone Scavenging!

- For your safety don't confront the scavenger
- Get a description of the person and the vehicle description including license plate
- Report the crime by contacting your local Sheriff's Department (310) 456-6652.

CONTAINERS— HOURS OF PLACEMENT

Please put away your trash containers after collection. Not only will your streets look nicer, but you will also be compliant with the Los Angeles County Ordinance (20.72.110) that designates specific hours for container placement at the curbside. If you have any questions or require any assistance, please contact our office to discuss the options that we have available.

20.72.110 - "No person shall place any solid waste or any container containing solid waste, at place of collection before 5:00 p.m. on the day preceding the scheduled collection of said solid waste, or leave any such container at the place of collection after 8:00 p.m. on the day of actual collection, or more than two hours after actual collection, whichever is later."

Frying Grease, Hot Oil, and Coals

Please DO NOT put frying grease, hot oil, and hot coals into your trash, recycling, and green waste containers the containers are plastic and will melt.

This can cause fire and damage to personal property and may cause fires in the trucks on the collection days.

In order to dispose of hot grease and oils please pour product into a container allow it to cool for 48 hours and then you can dispose of it in your brown trash container.

Bill Due Date Reminder

Avoid Late Fees and Service Interruptions

Don't forget your bills are due by October 31, 2010. If you would like to set up your account for automatic bill pay please contact our billing department at (866) 629-9127 or fill out the form on the backside of your invoice.

Container Set Out Instructions

Please remember your containers need to be placed at the street and accessible for the drivers. The drivers have been courteous enough to get out and move containers out of enclosures and storage areas. We ask that you please have your containers ready for the drivers on arrival to in order to avoid route delays.
